AVERY MACASA

ABOUT

I'm a curious and driven IT student with hands-on experience in web and mobile development. I enjoy turning ideas into functional projects and constantly exploring new tools to grow as a developer in the tech industry.

PROJECTS

Articulink | FastAPI | React | Mongodb | BS | ML
Mobile Application
A speech-assist app that converts nasalized and lisp speech into clear, corrected output using ASR and TTS processing.

MonoWear & Avyhea | Mobile RN & Mern web | Mongodb
Clothing E-Commerce Platform | Mobile and Web
is a full-featured clothing e-commerce application, includes a complete shopping experience.

Kultura-quest | Mongodb | MERN mobile | php Web | BS
Mobile and Web Application
A platform for teachers to post lessons, announcements, and quizzes, with student access to interactive activities.

EXPERIENCES

October 2023
FEDERATED DISTRIBUTORS INC. - Product Sampler
• Conducted a one-day sampling event, offering free tastes of the company's product to potential customers.

August 2024 - Present
D AND Q ANIMAL BITE CENTER - Digital Designer (Freelance)
• Designed social media and branding content for D&Q Animal Bite Center using Canva and helped maintain their online visibility, including clinic availability on map services.
